## OUR GROUP OF COMPANIES

## About KB Studios

KB Studio is a Music Recording Studio and Training Institute which was established in the year 2010. The Aim of establishing the Studio is to provide high quality services to our clients and an easy promotion to the up coming singers into the world of music. KB Studio's environment is unique and highly conducive to creativity.

We offer an ideal recording experience. It is run by professional musicians and music educators having wealth of experience in the music industry. We excel in audio recording, editing and mastering. We proudly offer a friendly yet professional environment for musician, bands, and solo artists of all kinds wanting to record, produce, edit and master their music. We offer the whole music production, from start to finish. This means that you can come with your raw audio material and walk out with the finished ready to release product.

Our Specialty is connecting the Artist with their Art and Making the high tech feel like home. If you want to find out more about the studios and the academy, come and have a look at the facilities or ask us about how we can help you with your project.

We Have a team of warm, welcoming, friendly, and professional staff committed to excellence and to the integrity of each project. Our way of thinking and working allows our engineers to act like it is their audio on which they are working, to have a sense of ownership, and to bring passion and experience: a commitment that exceed even our client's expectations.

The logo for 'KRAZY BAGS' is displayed in a bold, gold-colored font. The word 'KRAZY' is positioned above 'BAGS'. To the right of the text, there is a stylized graphic of a bag with a handle and a strap, also in gold. The background of the slide is black, and there is a large, faint watermark in the center that reads 'KRAZY BAGS STUDIOS'.
